Genome Assembly Statistics on Echinobase

Echinobase/assembly_stats-master

An assembly metric visualisation tool for Echinobase About Species Pages

http://www.echinobase.org/Echinobase/SpAbout

http://www.echinobase.org/Echinobase/LvAbout

http://www.echinobase.org/Echinobase/PpAbout

Example code that renders the Assembly Plots on Species About pages

```
<div style="float: left; clear: left"><iframe src="/Echinobase/assembly_stats-master/Spurp_stats.php"
style="width:450px;height:550px;" style="filter:alpha(opacity=0)"></iframe></div>
```

Echinobase/assembly-stats

Important Note: This is the latest version and Pages for P.miniata, O.spiculata and E.tribulates uses this version

http://www.echinobase.org/Echinobase/PmAbout

http://www.echinobase.org/Echinobase/OsAbout

http://www.echinobase.org/Echinobase/EtAbout

Example code that renders the Assembly Plots on Species About pages

```
<div style="float: left; clear: left"><iframe scrolling="no" src="/Echinobase/assembly-
stats/Pm_stats.html" style="width:450px;height:580px;"
style="filter:alpha(opacity=0)"></iframe></div>
```
